

PUBG MOBILE TOURNAMENT RULES

Zero-in your enemies and win the thrilling last man standing game - PUBG. To win, you'll have to remain alert at all times and trust your instincts. During your explorations in the game maps, experiment with different weapons. Scavenge a looted village to find items and use them to your advantage. That's not all. With airdrops, get a tactical advantage over others with better arsenal and medical kits.

Showcase your gaming skills and unleash fury with your squad or as a lone wolf. Apart from awesome action, win prizes to celebrate your victory too!

- Both emulator and mobile teams can participate in the event.
- Each team must have 4 players and every member must be present throughout the tournament.
- All matches will be played on Erangel map.
- The number of rounds each team plays will be decided after the registration are over. (Tentative 5 rounds for each team)
- Each team will be awarded points based upon their ranking and the number of team kills for each round.
- Team scoring the highest point after 5 rounds will be the winner.
- If any player cheat or use any form of unfair means, will result in disqualification of complete team.
- If any bug happens during the matches, inform the coordinators immediately. No complaints would be considered after the completion of match.
- Participants can play from their Hostels.
- All match details and results will be displayed on the Prosang Facebook page.
